

Lídr školy: E-learning for School Leaders

Klára Pirklová, klara.pirklova@npi.cz
Gabriela Šimková, simkova@ped.muni.cz

"Excellently and interestingly prepared modules."

"Nice graphics." "Easy to follow."

"Structured." "User friendly."

"Both participants and lecturers praised it."

"Something similar would be useful for other qualifying studies."

- 1 School Law
- 2 Labor Law
- 3 School Finance

What makes the e-learning unique:

- 36 hours of self-paced instruction
- problem-based & skills-based learning
- developed with renowned experts
- created with design thinking principles
- leverages the best of Moodle and Articulate
- easy to scale for large audiences

Lídr školy is a Czech qualification program for school leaders designed and implemented by the Ministry of Education, Youth and Sports and the National Pedagogical Institute of the Czech Republic.

Lídr školy is based on mentoring, exchange and reflective practice. The e-learning component was designed to support and complement the face-to-face meetings.
